

# Coffee Mug Challenge

If you brought your own mug, give yourself 4,  
Now let's see if we can raise that score.

Give yourself 2 if it has your company name  
5 points more if any two are the same.

If your mug has a logo of your favorite sports team,  
Give yourself the count of 16.

If you're a #1 MOM and your mug tells us so,  
You get 20 points for letting us know.

Now permanent stains on your mug is taboo  
But don't worry, you only have to subtract 2.

If it's covered with flowers, give yourself 4,  
A joke about your age gives you 2 points more.

If your mug has a chip in it, or even a crack,  
I'm going to have to take 3 points back.

If it's a high score you are looking for,  
Booking a show gets you 30 points more.

Now let's count your points, and add up your score,  
The one with the most is what we are looking for.

This game is designed for the Coffee Lovers Party, where each guest brings their favorite mug to enjoy their coffee in.
